.. Respondents

ORDER:

The petitioner filed this writ petition seeking to declare the action of the respondents in disengaging the petitioner from the post of Badli Worker in RK-1A incline as illegal, arbitrary and for a consequential direction to the respondents to absorb him as Badli worker into the respondents' organization.

2. On 08-07-2002 while passing an interim order in W.P.M.P. No.24451 of 2001, W.P.M.P. No.33665 of 2000 and W.V.M.P. No.3515 of 2001, it was observed that in the counter affidavit it was stated that after putting a minimum number of musters i.e., 190 (underground) or 240 (surface) in a particular calendar year, the Badli Workers are eligible for regularization as Coal Fillers subject to availability of vacancies and thereafter they have to work underground. That the petitioner was regularized as Coal Filler on becoming eligible for such regularization and having been appointed as Coal Filler, he has got to

work underground as per the terms and conditions of the appointment order and it was denied that the petitioner has any right to work only as Badli worker in RK-1A incline, Ramakrishnapur particularly after regularization as Coal Filler.

3. As evident from the counter affidavit filed by the respondents, the services of the petitioner are regularized as Coal Filler, therefore I see no merit in the writ petition.

The Writ Petition fails and the same is accordingly dismissed.
No costs.
